Sir:

      This is in response to a Notice of Drawing Inconsistency With Specification mailed on June 10, 2004, which noted that Figure 3 contained in the drawings filed July 11, 2003 is not listed in the Brief Description of the drawings.

      Please delete Figure 3, so that the only drawings in the application are Figures 1 and 2. This is appropriate because the Examiner objected to Figure 3 earlier in the prosecution, and noted that because of this objection only Figures 1 and 2 remain in the case.

      Respectfully submitted,

KINNEY & LANGE, P.A.
